Honorable Dr. John Zigidis,
Academia 25,
Athens,
Greece

6/7/55

Dear Dr. Zigidis:

In behalf of Mr. Apostolos C. Cougoulos, my brother-in-law who is seeking internship in a hospital in this country, I would appreciate it very much if you would intervene in order to expedite a favorable report concerning this man from the Dean of Medical School, University of Athens.

Over a month ago, a request of this nature was sent directly to the University and no reply has been received. As you can appreciate, this internship is very important to Mr. Cougoulos who has entered this country for this purpose. A simple reference letter from the Dean pointing out the following qualifications is all that is necessary.

1. That Mr. A. Cougoulos is a medical graduate of the University of Athens.
2. A [redacted] report on the man's character during his school years.
3. A [redacted] report on his grades while in the University.

Please ask the Dean to send such reference data directly to:

Orange Memorial Hospital,
Orlando,
Florida,
U.S.A.

And to:

Missouri Baptist Hospital,
919 North Taylor Ave.,
St. Louis 8,
Missouri,
U.S.A.

I would appreciate receiving a copy of the letters also.

A quick response to this request sent Air-mail will be very much appreciated because of the shortage of time and the extreme importance of this matter to this fine young man who seeks a career in this country.

Will you kindly let me know as soon as possible whether or not this can be done.

With kindest regards,

Michael Gianeski
