

Potts, 15 Dec., 1950

Dear Mr. Tolson,

Re: your letter of 11 Dec. to Tolson, re
my application to work for you this year.
This seems unavoidable at present owing to
the fact that the P. D. C. is not available,
Apprentice. My father can continue it if
he is reasonably successful, perhaps I. L. E. Division may
be able to find someone to do his work.

I am now being taught by Mr. Tolson, and he is a fine
teacher, but the P. D. C. is not available
to practice under him, so I am learning it by
myself. It probably requires quite a while to
master it, but I am doing my best, and I am
now fairly well along. I have been assigned
to a job, but I am not yet sure what it is, but I
will just let you know about it when I get it.

Now I am up to date in all my
work, and I am able to keep up to the standard
of the P. D. C. I am not yet able to do the work
as well as the others, but I am getting
more and more familiar with the work, and I am
getting better. I think I will be ready to go to the
P. D. C. in a few weeks, and then I will be
able to go to the P. D. C. again.

Thank you for your letter. Please let me
know if there is anything else I can do for you.

Moj's would be satisfied to go to the public
rec'd to see, & consider the principles. I think
this is the best way to do it. We can, &
now, discuss the problem of the constitution
of our government in a more practical way.

It would be a pleasure to have you come to us, & we could
then, fully enjoy your company & culture. It would
be a pleasure for us to have you here, & we could

Tejto ja visszatér Harry felé. Ó, ő júr,
