The MINISTER of INDUSTRY

My dear Mr. Minister,

Before I leave Greece, I should like to express my deep appreciation to you for your courtesy in meeting with my associates of the Thessalian Pulp & Paper Industries Ltd. and me during this past week.

As a devoted admirer of Greece, it has been my pleasure to bring to your attention this new industry which will add so much to the industrial climate of Greece.

Please accept my congratulations on your recent appointment and my best wishes for success.

Yours sincerely

His Excellency,
The Minister of Industry,
Mr. Ioannis Zigdis,
ATHENS, Greece.

Your Excellency:

It was a great pleasure for General van Fleet, Mr. Efron and myself to meet with you on November 19th and discuss the expansion programme of our Company now building the first Pulp and Paper Mill in Greece. We believe our project to be of utmost benefit to Greece and to the province of Thessaly, and we hope that constructive progress can be made with regard to the various licences and approvals necessary to complete this work.

We were much encouraged by your lively interest in the project, and would welcome your support.

Please accept my sincere regards.

Respectfully,

President,
